## **T E R M S**

Deliveries are subject to yield of crops and safe arrival of our consignments and prices subject to change.

All seeds and plants are sold without warranty, expressed or implied as to description and productiveness. All seeds should be carefully inspected upon arrival and claims for conditions made at once. We cannot consider claims after seeds have been stored or planted.

All shipments travel at buyer's risk and claims for damages in transit must be taken up with the transportation companies.

Remittances made should include a fair amount for packing and postage, if shipment by mail is requested. Bags are being charged at cost price.

**PACKETS**—We shall be glad to supply packets of all items listed, if possible, and will charge 15c per packet unless listed otherwise.

**TERMS**—5% Discount for cash with order; for customers of approved credit, 10 days 2%; 30 days net.

## **SEND IN YOUR ORDER EARLY**

Order from this catalogue until you receive a new issue. We shall extend the benefit of lower seasonable prices whenever it is possible to do so.

**OTHER PUBLICATIONS**—We issue two other catalogues.

1. A descriptive catalogue of all seeds of trees and shrubs suitable for **FOREST PLANTING**.
2. A price list for choice hardy herbaceous **PERENNIALS** and **ROCKPLANTS**.

Copies are gladly mailed upon request.

**NATIVE AMERICAN SEEDS WANTED**  
We buy and exchange seeds.
